

EDGEWOOD GIRLS BASKETBALL LEAGUE

We welcome all girls regardless of experience or skill level. Our goal is for all players to learn basketball, exercise while having fun, and meet other girls. We hope to aid in the development of their confidence and self-esteem. Our number one priority is that players who play in our league enjoy their experience and create lasting, positive memories. While competition is a part of basketball, we feel that fair play and good sportsmanship are equally, if not more, valuable.
